An Easter Experience

It is my prayer that you are planning to attend our 7 @ 7 emphasis. Please be in prayer as you prepare to receive a word from God. God is going to use this experience to rejuvenate our Spirits as we continue to follow Jesus, and as we continue to reach the Sans Souci community for Christ. Please plan for you and your family to attend this 7 night event. You will not be disappointed, and your Spirit will be filled.
